President's Message

I hope that everyone is well and that folks are holding up during this pandemic. At this point in time it is likely that the June men's meeting will be cancelled. If that changes we will let you know.

I would like to thank all those who left food by my door to donate to the St. Rose food pantry - I will be making the donation the end of next week.

Again, if you need help or just need to talk to someone please reach out to your fellow Hibernians - or me.

Remember - stay away from men (mouth, eyes, nose)

Wash your hands frequently, stay home, if not keep your distance from others. Wear a mask when outside.

When the hall opens eventually, please know we will try and do everything possible to make it a safe environment - but that only works if your not feeling well you stay home and we see you next week.

Please remember those who gave their lives in service to this country on Memorial Day.

Please remember to fly your flags on Flag Day—June 14th.

If anyone is interested in coordinating a food drive for one of the other food pantries please let me know and we will get the details out to folks.

I can't emphasis this enough please reach out to us for anything - we are here and willing to help.

Yours in our motto,
Ed McGlade

P.S. Please keep Bill Quigley and his wife Joyce in your prayers - they are really needed.

Editors Note:

This is the last year that I will be the editor of the newsletter. Which means that after 3 more issues this year there will be no newsletter unless we can find a volunteer to run the newsletter.

Green Beret Club News

The hall is closed until further notice.

Once we get word that we can re-open the hall we will get the word out.

Just a reminder the book is over \$1,000.

300 Club - as of now I am in discussions with Tom and Steve on how we will proceed with finishing the last run and potentially starting a new run. I will get this information out to you all as soon as I have it.

Since the dinner dance was cancelled - depending on the world we live in I would like to hold a recognition event in August to present to Dennis and Sharon their honors for being man and women of the year.

Please let me know if you would be interested in planning, helping or attending a half way to St. Patrick's Day party in September...

Men's Dues

Please send 2019 annual dues: \$45 (\$40 if paid by 3/1)

The Band, like everyone else is in Lockdown. As of now there is no information for any upcoming parades. We have been using Zoom to have some basic lessons. We also use it to have some social time too. As band master it is my hope that we will be back together as a group sometime this fall, or even late summer potentially.

Hopefully, we see everyone soon.

Presidents Message

Meetings

Dear Ladies,

I hope you are all coping with this pandemic and while it has been difficult I hope you are staying healthy and safe. I hope you all had a very Happy Mother's Day and that you were able to celebrate in your own ways. There is no doubt that these are trying times in order to stay connected please refer to future email blasts from Ken Ferguson, however if anyone needs anything, please contact me at (631) 848-7156 or email me at jskinnon1@aol.com. I want to inform you of some recent developments regarding the upcoming Division May meeting, the State Board meeting and the National Convention.

In Friendship, Unity and Christian Charity,

Mary

I realize that the last couple of months have been challenging and not having a meeting for the last two months has been difficult. However, I feel in order to keep everyone safe, that the May meeting should be canceled. I will have a robocall sent out to the members to notify every one of the cancellation and hopefully we will be able to meet in June. As of now, I realize there are a number of issues that need to be addressed, so I will stay in touch, and when we can resume our meetings I will let the members know. Stay safe and may Saint Brigid protect and guide us.

National Convention

The convention is currently scheduled to be held from July 22nd to July 25th in Orlando, FL. Due to health concerns, the AOH and LAOH National Boards will be sending out questionnaires to members who have made reservations at the hotel where the convention will be held. Based on the results they receive, the National Boards will then determine the format and structure of the convention prior to June 15th.

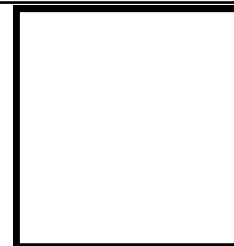

As of now, I realize there are a number of issues that need to be addressed, I will stay in communication and when we can resume meeting again I will let the members know. Stay safe and may Saint Brigid protect and guide

Memorial Day

As of now, I have not heard from our friends at the Sunrise Detachment. It is safe to say the annual Memorial Day picnic and stickball game is cancelled. Please remember those who make the ultimate sacrifice in serving our country. Hopefully we will get to meet next year.

May you live as long as you want,
And never want as long as you live.

May you live to be a hundred years, with one extra year to repent.

May God grant you many years to live,

For sure He must be knowing

The earth has angels all to few

And heaven is overflowing

Here's to a long life and a merry one

A quick death and an easy one

A pretty girl and an honest one

A cold beer and another one!
