## Past President's Message

While I wasn't able to accomplish all the things I wanted to do when I took over I was able to do most of them. Thank you for your support this last two years.

Please continue to remain safe - together we can beat this virus. If anyone needs anything at all please call me (@516 815 7269) and I will arrange to get you help. There is no reason to suffer when we have a 190 brothers to assist each other.

Dennis McCauley is selling Super Bowl pool boxes - he has about 20 left - please reach out to him @ [mccauley.dennis@gmail.com](mailto:mccauley.dennis@gmail.com) if you want a box.

Congratulations to our incoming President - John Regan and his board. I am sure he will do a great job in furthering our mission.

While the newsletter as a means of commu-

nication may be declining. Ken Ferguson has been keeping many division members updated as to what is happening with the division via email. If you have email and would like to get on his list - email him at [@kjferg47@gmail.com](mailto:kjferg47@gmail.com) - put Mailing List in the subject line.

Thanks to all those who donated food for the thanksgiving pantry restock project—we fill a very big box. Look for some additional food drives during 2021.

Best of Luck in all your future endeavors.

Yours in our motto,  
 Ed McGlade

Irish whiskey hot toddy recipe

### Ingredients

A good Irish whiskey (Jameson or Powers is the best Irish whiskey for a hot toddy recipe!)

A heat-proof glass

7/8 cloves

2 teaspoons sugar

Slice of lemon

### Method

Fill a kettle to boil hot water.

To pre-heat your glass, place a metal spoon in the glass and pour some hot water in. The spoon will prevent the glass from breaking! Once the glass is warmed, dump out the water.

Cut a slice of lemon, remove the pips, and stick some cloves into the fruit.

Put a teaspoon of sugar into the glass followed by a shot of Irish whiskey. Give the whiskey and sugar mixture a bit of a stir and try to dissolve the lumps.

Add boiling water and then stir.

Add the lemon and additional cloves (if desired) to the mix.

Wrap a wee' napkin around the glass, so you don't scald yourself.

May you live as long as you want,  
And never want as long as you live.

May you live to be a hundred years, with one extra year to repent.

May God grant you many years to live,

For sure He must be knowing

The earth has angels all to few

And heaven is overflowing

Here's to a long life and a merry one

A quick death and an easy one

A pretty girl and an honest one

A cold beer and another one!
